Some References to John Beales

The name of this ancestor of American line is variously spelled in court and religious records - Beale - Beal - Beals - Baels - Bales.

Smith." Delaware Co, Pa. - p. 445
"Beal - Bales, John was an early sealer in the lower part of Ashton."

That he was in America early is proven by the fact that he testified in a trial ~~1691~~ 1671 1677 concerning a piece of land that he had plowed that land 14 years before the above date proving him to have been here as early as 1677 or 1678.

Ridgeley (1908) Historic Graves of Md + D.C. p225 Cecil Co. "First Baltimore town was located on banks of Elk River, below where Elkton stands. June 9 1692 when parishes were decreed by act of assembly, Cecil enjoyed a separate existence, and it was divided into two parishes - N. + S. Sassafras. In adjusting the border lines between Cecil and Kent Cos, S. Sassafras was juggled out of existence, evidently, but growth of Shrewsbury Parish, Kent Co. South of Sassafras River can be traced from this time..... Loss to Cecil Co. was made up, 1706, by Creation of St. Mary Anne or N. Elk Parish (built 1742).

The Chester meeting est. 1681 by Burlington at 1st circulated and after 1700 settled at Providence but, prior to 1700 and after 1696, Friends of Ashton joined either Chichester or Concord for convenience. The first children are recorded at Chester and as John Beals is frequently refered to as serving on committees at Concord we know he affiliated there. But there was failure to enter the younger Childrens births.

In the year 1701 the Commissioners of Property dictated that 20,000 acres be laid out, at a bushel of wheat per 100 a. This tract is said to have recieved the name of Nottingham doubtless in reference to the town or Co. in England. Trimbles "Abstracts of Nottingham" shows 1000 a. alloted to John Bales, Edw. Beeson, Henry Reynolds, James Brown Wm Brown etc... 500 acres to Joel Bayley.

The 1722 tax assessment lists among others at E. Nottingham Jacob, John, Wm Beals, Joseph Jones, Aaron Cappock, Messer (Mercer) Brown, and on non-resident land 200 a. Richard Jones. And in W. Nottingham Richard Brown, Henry Reynolds, Wm Brown, Thos Brown, Richard Harold, John Miles, Alexander Ross, Joseph Rich, James Brown.

And on non resident land 500 a. Wm Beeson and John Conidy

Alexander Ross was in 1713 at Haverford, in 1715 at Chester, in 1722 at Nottingham. In 1732 he received a grant for 100,000 acres on Apequan and established Hopewell mtg. after 1735, 2 divisions 1st Providence & Apequan

Nottingham was 24 miles from Newcastle on the Octorora, between East river and the Octorara creek The majority of Nottingham settlers were from Concord.

The time of the removal of John Beals to Nottingham from Concord may be set approximately by these Concord minute extractions:

"11 11 1702-3 "Inasmuch as it has pleased god to visitt John Baels with Lameness for a considerable time for which he is made incapable of service of overseer of Chichester meeting...."

"1-9-1709-10 Friends from Nottingham request for John Bales to be Overseer in the room of Wm Brown."

E. Nottingham meeting set up under Concord 2 9 1705 to be held at Wm Browns house was made Preparative 3.13 1706 and Mary Beals made an overseer. 1.13.1709 John Beal & Robert Hutton were made overseers.

In 1718 Nottingham was placed under New Garden and 1729 independent. When the Md. line was run the meeting ground fell into Md. (Cecil Co.) The Nottingham records indicate John Bails ~~still~~ a member while still under Concord, before it was made a Monthly, as he was on many important committees

Wm Clayton - father of Mary (Clayton) Beale

March 13, 1678-79 Wm Clayton & family arrived on the 'Kent'. On that date he received a deed for the share of Hans Nelson at Marcus Hook.

Gov. Markham's commission empowered him to appoint a Council of nine with himself presiding. This was three from each of the counties:-

The first called Aug. 3, 1681 and Wm Clayton was one of these men. A fact signifying his standing in the counties. In the first record preserved of the court held at Uplands 9-13-1681 Wm Clayton's name heads the list. It does not mention Markham as presiding & this fact is mentioned at second court Nov. 30. 1681. If one may imply Markham's absence at the first court, then Clayton was acting governor.

Signers (over)

John Mills, Rebecca Mills, Mary Harrold, John " Jr; Wm Beals, Lidey Beals, Sarah Beals Sr; Sarah Beals Jr; Martha Wright.

These names are all on the right of the certificate. The name Martha Wright signifies in this column a near relationship. She might have been a grandmother & in that case the name of Thomas Mills ~~grandmother~~ mother might have been Wright.

Also the name Rebecca above shows that either both John Mills wives were named Rebecca or else his 1st wife was dead in 1730 & this is his second wife signing. Since his 1st known child by his second wife was born 1742 it seems both wives must have been Rebecca.

Other signers at this wedding James Wright, Mary Wright, Elizbeth Wright, John Wright, Gs. Mathas, Chidly Mathis, Henry; Hannah, Josiah & Mary Ballenger; Nathaniel & Hannah Wood, Jona. 9. 15 1733 a certificate recieved for John Bails and family and daughter Sarah Mills.

From mtg records it was ascertained John Beals Jr. lived in Nottinghame from 1711 to 1728 when they lived in Chester Co. five years, thence to Monocacy.
The Century Atlas map of Md. shows near the confluence of the Monocacy with Potomac a small village Bealsville. Could be site of their settlement.
All central Md. was then Prince Georges Co.

I know it that
Wm + Rachel (Squibb) Beals
had a son Abner b 4-8-1840 1830

I also (this book with Interesting gaps) Marks,
that Wm died 12-21-1836
Rachel died 2-28-1841.

While it all may be false I rather
think it likely that all but year of
Wm's death may be right -

I wonder if this Mary + her marriage at least the latter, is not wrong. I find

Yes Mary Daniel Green (of Rensselaer) b 6-2-1800 d. 8-2-1869

bur. marsh 12/6-1826

Mary Jessup b 4/9.1805 (of Th. + Rebecca Hill ms)

+ there were 10 children - 9 of whom survived - I wonder if this may not be the same + that she was a Jessup instead of a Newby

New Castle Ind.
Sept. 26

Dear Mrs. Joseph:—

I bet you have wondered about us a thousand times. I have about you and my husband has said that we would go to Jasper sometime to see you. We went to Evansville Ind. this past July to the Dept American Legion Convention and had talked of going to Jasper then. But it had rained so much before that week end and detours had to be made, so we did not go to Jasper

I still have your books of the family tree. I will send them to you or if you want me to keep the one with my name in, I will send the other one to you. I've had them so long, you probably that or think you'll never see them again.

Just write and let me know if you are still at Jasper & I'll mail it.

We went to Nebraska in Sept. of last year to visit our son Donald & family. We had not seen them

for five years, they were here for 6 mo. in spring & summer of 1952. They have a new boy we had not seen, he is past 3 years old now, will be 4 in Feb.

Our youngest son has married this year, one other son divorced in 1954 and remarried this summer.

Aunt Emma Beebedit, a sister of Lyndsey's father, passed away Mar. 9, 1958. I have entered all in the books.

I dont remember when I wrote you last, Lyndsey's

father George Canaday died May 30, 1954. All of those brothers + sisters are gone now.

I was at French Lick Ind. one week end in Aug. 1956 to a convention at the Hotel, American Legion Auxiliary, so wasn't too far from you then.

Mr. Canaday in New Castle is still living but was in the Hospital this summer for a while. He is an old man, his wife died few years ago.

We've had a wet summer until middle Aug., it has been real chilly at times

this month but warmed up the last few days.

We spent our vacation in Florida last of Aug. + visited our newly married son at Fort Lauderdale.

I hope both of you are in usual health which I hope is good.

So please write + let me hear from you and I'll send both books, or I'll keep the one if you want me to now.

Sincerely
Mara Canaday

Dear Mrs. Jasper:-

No doubt you will be surprised to hear from me again after so long a time. If you remember it was in 1934, thru Walter Beals, I sent in to you all the names and dates of the Sumner family which I could collect and you so kindly ans. and sent me six typed pages of names & dates of the Sumner family as a branch of the Beals family, beginning with John Beals married Sarah Bowater had: daughter Phebe married Robert Sumner. My mothers name was Phebe Sumner dau. of Samuel Sumner, as I told you before and she had a first cousin named Bowater or Boater or Borter as they called him, I don't know just how they spelled it but the fact remains they carried the names down thru the generations which makes it interesting to us.

Waldo said not so long ago that you lived at the same ~~at the same~~ address & I could write you there. Thanks for the letter of information you sent me so long ago, Apr 2 1934 also you asked for dates & names that could be added to your records. Well I haven't found anything definite but maybe you ~~would~~ can find something about this mans connections.

Name: Gentry M Bircher of Chicago Ill. mother Lucilla Jessie Sumner grandfather John Tilden Sumner great grandfather Joseph Sumner married Maria Dams or Davis he wants to know who was father of this Joseph. I thot possibly Thomas Sumner son of Robt Sumner who married Hannah Hiatt 10.4.1777. was this Joseph Sumners father, can you find out for sure?

(I couldn't make out all of his writing) maybe you get some idea

I never met this gentleman when he was there here in Oct. for I was visiting at my sons

and family living near Sandusky in Bellevue Ohio.
He married the Miss Fisk girl and
she is a sister of the one who
was teaching in La Fayette and
you took her place when she
quit and was married.
This Miss. Fisk married
Howard Renner, he is a teacher,
their address is Rushville Ind.
My son Russell Williams married
the sister of Mrs Renner &
La Fayette after graduation from
Purdue and been teaching in
Ohio ever since, got his A. B.
degree from Ohio State University
also. They have 3 fine little girls &
her sister has a son & daughter.
Now if you want to get in touch
with this man in Chicago this is
the address he left at my home.

Gentry N. Bercher
313 New PO Bldg.

Will be glad for anything Chicago Ill.
which you might give me of our family
more to send in later.

Respt. Mrs. Mary Hendrickson.

I know it that
Wm + Rachel (Squibb) Beals
had a son Abner b 4-5-1840 1830

I also (that last with Intermarriages)
that Wm died 12-21-1836
Rachel died 2-28-1841.

While it all may be false I rather
think it likely that all but year of
Wm's death may be right -
